## Education (General)

- **Williams College** Williamstown, MA  
*Bachelor of Arts in Music* Sep. 2010–Jun. 2014  
– Honors: Phi Beta Kappa, Magna Cum Laude, Arthur Judson Prize in Music
- **Conservatorium van Amsterdam** Amsterdam, the Netherlands  
*Study Abroad (Choral Conducting)* Jan. 2013–Jun. 2013

## Tech Experience

- **GNOME Foundation** Remote  
*Intern, GNOME Music (via the FOSS Outreach Program)* Dec. 2014–Present  
– Currently implementing smart playlists in GNOME Music, the music player app for GNOME, as part of the FOSS Outreach Program/Outreach Program for Women. The project relies on Python and SPARQL
- **Hacker School** New York, NY  
*Hacker School is a self-directed 3-month programming retreat. Projects included:* Jul. 2014–Oct. 2014  
– **ContraDB** (Python, JQuery, Django): a searchable database of folk dance choreographies  
– **Goob** (Python): a version control tool, written as an exercise in understanding git  
– **Markov gen** (Python, NLTK): a simple Markov generator that uses n-grams (of any n specified by the user) to generate text in the style of a given corpus, as well as a part-of-speech-based Markov generator  
– **Punbot** (Python, Zulip API, NLTK): a bot written for Hacker Schools internal chat that lurks until presented with an opportunity to pun, and interjects (for instance), “Parse ‘er? I hardly know ‘er!”  
– **Sudoku solver** (Python): a rough Sudoku solver which, given a string representing a Sudoku board, solves and prints the board. A paired project; written as an exercise in architecture and testing

## Other Work Experience

- **Bennington Children’s Chorus** Bennington, VT  
*Conducting Assistant (K–12)* Sept. 2012–Jun. 2014  
– Conducted several pieces per season; kept order in the rehearsal environment; taught basic music skills; led warm-ups; helped select repertoire
- **New Music USA** New York, NY  
*Intern* Jun. 2013–Aug. 2013  
– Wrote blog posts; generated social media content; researched donors and compiled potential donor lists; maintained online new music radio
- **International Contemporary Ensemble** New York, NY  
*Development Intern* Jun. 2012–Aug. 2012  
– Wrote grant proposals; drafted and co-designed Annual Report; processed and tracked donors

## Languages and Skills

**Programming Languages:** Python, SPARQL, Javascript, JQuery, HTML/CSS/Sass, Bash

**Frameworks and Tools:** Django, Octopress, Git, Sublime Text

**Natural Languages:** Proficiency in conversational Spanish, basic Dutch

**Communications:** Strong formal and informal writing, editing, and public speaking skills
